Article 8

MEASURES AT THE TIME OF THE SPREAD OF COVID-19

(1) Prague Castle Administration is not responsible for the health status of visitors. All visitors enter the accessible areas at their own risk.

(2) Visitors who are subject to compulsory quarantine or with health problems similar to a viral infection (fever, cough, respiratory problems, etc.) are prohibited from entering the Prague Castle complex.

(3) Visitors in the area of Prague Castle are obliged to have a covered respiratory system at the entrance (protective mask, respirator, scarf, etc.) and to have them covered for the entire period of the tour of the area, unless otherwise provided by applicable legislation. The visitor is obliged to prove the fact that he does not have to have a covered respiratory system, i.e. that he is a person to whom an exception from this obligation applies according to the valid legal regulation.

(4) A visitor who will not have a covered respiratory system and at the same time is not a person to whom the obligation to have a covered respiratory system does not apply will not be admitted to the tour of the area, even if he has purchased a valid ticket. In this case, the visitor will also not be entitled to a refund of the entrance fee, in any amount.

(5) Visitors are obliged to keep a distance of at least 2 m from each other. Exceptions are persons sharing one household. It is thus forbidden to gather in groups in the whole area (in all outdoor and indoor areas).

(6) The visitor is obliged to use hand disinfection before entering the interior of the Prague Castle premises, especially points of sale and public toilets.

CONCLUDING CLAUSES

(1) The visitor will be held responsible for violation of the „Rules and Regulations“ and for damages caused, in accordance with the valid regulations.

(2) This updated version of „Rules and Regulations“ is valid from 25th May 2020.
